

2021 Colorado State Fair August 27- September 6, 2021

Camping during the Colorado State Fair will be in the Horsemen/Livestock Lot located just north of the Southwest Motors Event Center. Please refer to the camping area map. The spaces along the Prairie Avenue and Small Avenue walls are reserved for vendors and exhibitors (those staying the entire run of the fair). **Only registered participants are allowed to camp during the fair.**

All spaces have water hookups and electrical service at a minimum of 30-amp service. Some also have sewer hookups and 50-amp electrical service. Sewer pumping service is available each morning of the event for those requiring the service. We do not offer pull through sites. The camping spaces are 40 feet long and 15 feet wide. **If you will require more than 15 feet in width, you will have to rent two spaces. Be sure to request side by side spaces.**

Horse trailers with living quarters may camp on grounds. Parking will be available for all other horse trailers at an offgrounds site free of charge. There are no services or overnight camping available at that location; however, security will be provided.

The rate for overnight camping is \$40.00 per camp space per night. Space rental runs from noon to noon. **If you are participating in an event that will run later, we ask that you either reserve and pay for that day or move your vehicle(s) by noon.**

There is a \$10 fee charged for vehicle passes for each camping stay. This vehicle pass allows you through the gate to park at your campsite with your camper. One vehicle pass may be purchased per camping space. Both the vehicle and RV must fit WITHIN the 40 ft. camping space. Motor homes/camping trailers will be issued RV passes.
