Release of Canned Goods and Heritage Items- Wednesday, September 8, 2021, 10:00 a.m. - 3:00 p.m.

**Entry Rules and Requirements** (these rules and requirements are **in addition** to *2021 General Competition Requirements* as well as *GE/FA 2021 Competition & Entry Requirements*)

1. Entries deemed unfit for judging will not be accepted (e.g., unsealed canned goods, non-standard jars, cakes in pans, china, plastic or glass pie plates, spoiled foods, or items which contain perishable foods such as fruit that spoils quickly, etc.).
2. Only entries that are made from scratch (made without the use of prepared mixture of ingredients) by the exhibitor are eligible for competition.
3. Professionals will not be allowed to enter any pantry classes. A professional is a person deriving any financial income from their skills in a specific division. For example, a professional baker is not permitted to enter in any baking divisions; however, he or she can enter in non-baking divisions.
4. Any exhibit that becomes unsightly may be removed from display at the discretion of the Department Coordinator.
5. All non-placing baked goods become the property of the Colorado State Fair and will be donated to the Soup Kitchen. The only exceptions are Canned Goods and Heritage.
6. When labeling items, do **not** include your name.
7. Place labels on base, not on any wrapping.
8. Entries must be ready to check in when you arrive. There will be no labeling of jars after you arrive. Please be prepared. We operate in a tight timeframe, so please be courteous to your fellow exhibitor.
9. If you have 50 or more entries, please allow enough time to check in all items.
10. All items must have a label no larger than 3 inches by 3 inches on the bottom or back of the item unless otherwise noted in Division instructions. Label must include: Class Number & Name, Name of Item. DO NOT Include your name.

## Department Special Awards

A Sweepstake is a special rosette awarded by Colorado State Fair in each Pantry Division to the exhibitor accumulating the most total points based on the following formula:

- 1st place 3 points
- 2nd place 2 points
- 3rd place 1 point

Sweepstakes will be awarded in the Open age group as well as in the Youth and Junior age groups combined. In the event of a tie, the winner will be the exhibitor with a) the **least** number of entries in that particular Division and b) the most competition in classes.

### **Queen/King of the Kitchen**

To be eligible, an exhibitor must be a Colorado resident. Competitors must compete at least twelve (12) of the competitive Pantry Department Divisions (shown below) in the Open age group and place in ten (10).

#### **Pantry Department Divisions**

### Canning Criteria

- All home canned foods must be canned after July 20, 2020.
- All canned products shall be canned in clean, clear, standard brand name glass jars (no mayonnaise jars, etc.), perfectly sealed with new clean seals.
- Canned goods may be stored at home without rings, but rings are required for exhibit.
- Canned fruits and vegetables will not be opened but will be judged on appearance in the jar. Other canned items will be opened and tasted at the discretion of the judge.
- Labeling of jars should occur at home. Checking in your entries is not the time to be labeling jars. All canned product entries must place the information label in the center of the side of the jar(s). Label sizes should be no more than:
  - 1½ inches x 2½ inches for pints and 1/2 pint jars
  - 2½ inches x 3½ inches for quart jars

Labels must not cover the entire jar. No exhibitor names are allowed on labels. Entries must be labeled as follows:

- Product Name
- Date Canned
- Altitude
- Hot or Cold Pack
- Time Processed
- Method of Processing (hot water bath/pressure canner—pounds of pressure)
- Method of Acidification of Tomatoes

#### 1. HEAT PROCESS

- Methods used to heat process food must comply with current preserving guidelines as stated in the approved reference guides. The boiling water process for high-acid food and pressure process for low-acid food are the only recommended methods to preserve food in jars for shelf storage.
- Time for correctly heat processing food varies depending on each specific recipe or food type. Processing time must be in agreement with the approved reference guides.

#### 2. PRODUCT APPEARANCE

- Produce should be free from blemishes, disease, and spoilage. Recipes prepared with stems, pits and peels intact are acceptable if the recipe is in keeping with approved guidelines.
- Liquid must be clear and free from cloudiness and small particles unless the inherent characteristics of ingredients affect product clarity.
- Color of the finished product should be as close as possible to its natural characteristics or that for a cooked product.
- Texture is affected by heat processing; however, the finished product should not easily break down or appear over-cooked.
- Ingredients should retain their shape and size based on the type and preparation method. Ingredients should be cut in uniform pieces and packed evenly into each jar, allowing adequate room for liquid to circulate throughout the jar during processing.
