**Colorado
State Fair**

150 years of fun!

NEW!

WHAT'S

IN 2022

ALL livestock entries must be submitted **ONLINE**. Entries sent via mail will not be accepted.

Late entries will be accepted between August 2nd and August 12th with a late fee of \$100.00 per entry.

Small Animal entries must be postmarked on or before August 1, 2022. Small Animal entries cannot be done online.

Postcards WILL NOT be sent to exhibitors in 2022. Livestock Exhibitors will load in/out through Gate 4 off Mesa Avenue and Small Animal Exhibitors will load in/out through Gate 1 on Arroyo Avenue.

Market Exhibitors will be sent a "receipt" with information regarding load in/out, important drug information and a checklist of forms that must be turned in at the time of check-in. Exhibitors WILL NOT get their back/ear tags or credentials until all required documents are turned in.

The Market Show schedule has been changed from past years. Exhibitors are required to be familiar with the schedule and when the species they show **MUST** be on grounds. Due to barn space, the CSF Management asks that exhibitors not come in early unless they are showing more than one species. **We will try to accommodate everyone who is showing multiple species, but that is not guaranteed, depending on number of entries we are expecting in the barns.**

Market entry cancellations will be due **IN WRITING** by end of business (5:00 p.m.) August 15th – phone calls will not be accepted. To cancel market entries and request a refund of entry fees emails must be send to CDA_CSFLivestock@state.co.us.

The Colorado State Fair will also be awarding overall Market Showmanship Champions (per species) and a Premier Market Exhibitor. Details for both of these shows may be found in the premium book.

The Colorado State Fair will be having an Open Gilt show on Sunday, September 4, 2022. Show information and entry requirements can be found in the Livestock Premium Book. This is an open breeding show and gilts do not need to be nominated or submit DNA.

There will be no public sale of rabbits. All rabbits will need to be out of the barns by Monday, August 29th at 8:00 a.m.
