Colorado is home to musicians, artists, and storytellers. It is a rural escape for some, and an immersive urban adventure for others. The diversity of people, culture, and wildlife is what has captured the hearts of so many as they've passed through or settled in. The Colorado State Fair Poetry Competition provides another point of connection and a way to share our experiences- from our hearts and through our words. We invite writers of all ages to enter the fourth annual Colorado State Fair Poetry Competition. The competition will conclude with a reading during the Colorado State Fair to give winning poets and finalists the opportunity to share their work.
