Refunds will not be issued for any pre-purchased bedding.

Straw may only be used for Dairy Cattle, Dairy Goats, Breeding Sheep and Open Breeding Cattle tie-outs. All other uses of straw are prohibited.

Outside bedding for livestock exhibitors is permitted.

4. Female (does) or wethers are eligible to be shown in the Market Goat Show. All Market Goats are required to have the proper scrapie identification. There is a minimum weight limit of **55 lbs.** and a maximum weight limit of **110 lbs.** for goats.
5. Market Goats can use only rubber mats, netting, or shavings for bedding, no straw, kitty litter, or other absorbent.
6. Due to limited space NO tack pens will be available. All items, e.g., feed, show boxes, trimming stands, are to be placed in areas designated by the Superintendents. Any of these items placed in pens may be removed without warning. DO NOT take pens apart; leave as assembled. Exhibitors may bring plywood for the top of their pens for storage.
7. Market Goats must be carrying all milk teeth in normal positions. Goats showing either or both of the first pair of permanent incisors will be disqualified. The Authority retains the right to check teeth on Market Goats.

"Blocking" or fitting in an attempt to alter or enhance a goat's appearance is not allowed. There will be no shearing allowed after processing. Only cordless clippers may be used for touch ups after inspection.
9. Any violation of the General Livestock Competition Requirements or Junior Livestock Competition Requirements regarding fitting of livestock may result in disciplinary action.

14. A water container with water must be visible and available for watering on a regular basis in each penned/stalled area at all times. NO feeding or watering of livestock in show rings, holding pens or to and from re-weigh stations will be permitted. CSFair officials reserve the right, at its discretion, to contact a CSF veterinarian to determine if water should be given. **Drenching for hydration purposes will be allowed for Market Goats at the CSF. No stomach pumping devices will be allowed.** Injection, drenching, or application of any substance (including any caustic substance) per rectum is prohibited. Further, the application of any substance to or near the tail or anus is prohibited.
15. **NO** iced or wet towels allowed in the holding area. NO family members will be allowed in any of the lamb holding or staging pens at any time. NO EXCEPTIONS.
16. There will be no official weigh-in of Market Goats. Scales will be available for the exhibitors' use until the deadline for turning in the weight nomination form. An official weight nomination form must be obtained by the exhibitor when the animal is inspected. The official weight nomination form must be turned into the Livestock Office no later than the deadline listed above. The weight(s) indicated on the weight nomination form will be the official show weight. There will be no changing of weights after the weight nomination form has been turned in.
17. Classes will be separated by weight. In all Market Goat classes, the front feet of the goat must remain on the show ring floor while being shown. Judges and Superintendents are authorized to disqualify an exhibitor.
18. After each class of Market Goats has been placed, the top five animals will be weighed on the official scale by show officials. Market Goats cannot deviate more than 5% above or below the declared show weight as previously designated by the exhibitor on the weight card. If any Market Goat is weighed out, it will be disqualified, and the remaining animals will be moved up in placing. The disqualified goat is not eligible for any other class and will not be reweighed.
19. Champion and Reserve Champion of each weight division will compete for Grand and Reserve Grand Champion. The Champion and Reserve Champion in each weight division (lightweight, medium weight, and heavy weight) and the remaining 1st and 2nd place goats (not to exceed a total of 38 goats) will sell in the Colorado State Fair Junior Livestock Sale. Those exhibitors that have two or more sale qualified animals will only be eligible to sell (1) one animal.
20. Once the sale goats have been determined, those animals will be moved to a showcase area designated by the Livestock Superintendents. All equipment, except for those items needed to feed and water animals and clean stalls, shall be removed from the barn. The Authority will provide each exhibitor with two (2) bags of shavings for use in the new stalling area.

21. This show is a terminal show only for the Junior Market Goats selected for the Junior Livestock Sale. Animals not selected for the Junior Livestock Sale will be released to the exhibitor after the final sale order is posted. A buyback consignment is offered through the Authority.
