3. Any grower of wool is eligible to enter fleeces; however, fleeces must be entered in the name of the grower.

5. Entry fees must accompany entry. There is no limit to the number of fleeces an exhibitor may enter in this show or in any one of these classes. Premiums will be paid according to the premium schedule listed in this division. No fleece may be shown in more than one class. Wool exhibitors who will not attend the show are not required to buy exhibitor passes.
6. Eligible fleeces must: (a) Be fleeces shorn in 2023/2024, (b) Represent not more than a 12-month growth except that in the case of yearlings, a 16 month growth will be allowed. 10. No early releases will be permitted. Sale and release of wools will be handled as follows:
 - (a) Bids will be received on white wools, which are acceptable to the commercial wool trade as a group and sold based on grade. Wool will be shipped following the show with proceeds returned to the exhibitor,
 - (b) White Handspinning wool fleeces may be sold individually by the exhibitor and released at the close of the show to the exhibitor or to the purchaser ONLY with the properly signed statement of sale and approval of release by the exhibitor;
 - (c) All wools marked "Not for Sale" on entry and any other fleeces not acceptable to the commercial wool trade will be released to the exhibitor at the close of the show. Wool must be picked up no later than Tuesday, September 3rd. Contact the Livestock office for details.
11. Management reserves the right to combine classes if the number of entries in any individual class does not warrant a separate class and to place entries in appropriate classes and divisions as necessary.
12. Ribbons awarded in each class 1st through 6th place.
