

Colorado State Fair and Industrial Exposition

2024 Poetry Competition

Colorado is home to musicians, artists, and storytellers. It is a rural escape for some and an immersive urban adventure for others. The diversity of people, culture, and wildlife has captured the hearts of so many as they've passed through or settled in.

The Colorado State Fair and Industrial Exposition Poetry Competition provides another point of connection and a way to share our experiences—from our hearts and through our words. We invite writers of all ages to enter the fourth annual Competition.

The competition will conclude with a reading during the State Fair Night to Recite to allow winning poets and finalists to share their work.
