Drenching will be allowed for Market Lambs at the State Fair for hydration purposes only. No stomach-pumping devices will be allowed.
 11. Breed classification officials will review Market Lambs on Friday, August 22, 2025 during inspection. If the breed classification officials determine that an entry in any breed division does not exhibit the characteristics required by that breed association, the entry will be transferred to a crossbred class. If the exhibitor does not accept the transfer, he or she can withdraw his or her entry from the show, but the entry fee for that animal WILL NOT be refunded.
 12. No iced or wet towels are allowed in the holding area, and no family members are permitted in any of the lamb-holding or staging pens at any time. No Exceptions.

The exhibitor must obtain an official weight nomination form when the animal is inspected. The official weight nomination form must be turned in to the Livestock Office no later than the deadline listed above. The weight(s) indicated on the weight nomination form will be the official show weight. There will be no changing of weights or breeds after the weight nomination form has been turned in.
14. Classes will be offered in the breed classifications listed, with a maximum of 25 head per class and a minimum of 5 head per class. In the event there are not 5 Dorsets entered, Dorsets will show with Speckled Face. If there are not 5 Wool breeds, those animals will be combined with the Speckled Face. If there are not 5 Southdown entries, those entries will be combined with the Dorsets. If there are not 10 Dorsets, Southdowns, Wool breeds, and Speckled Face combined entries, those entries will be placed in the Black Face classification. Breeds having fifteen (15) head or less, only the Breed Champion and Reserve Breed Champion qualify for the Junior Livestock Sale.
15. Entry Numbers: Each entry will be assigned a number, which will be provided to all exhibitors. The exhibitor must display these numbers when the animal is in the show ring.
16. In all Market Lamb classes, the front feet of the sheep must remain on the show ring floor while being shown. Judges and Superintendents will have the discretion to enforce disqualification.
17. After each class of Market Lambs has been placed, show officials will weigh the top five animals on the official scale. Market Lambs cannot deviate more than 5% above or below the declared show weight previously designated by the exhibitor on the weight card. If any Market Lamb is weighed out, it will be disqualified, and the remaining animals will be moved up in placing. The disqualified lamb is not eligible for any other class and will not be reweighed.
18. Once the sale lambs have been determined, those animals will be moved to a showcase area at the time designated by the Livestock Superintendents. All equipment, except those needed to feed and water animals and clean stalls, shall be removed from the barn. The Authority will provide each exhibitor with shavings for use in the new stalling area.

19. This show is terminal for only those Market Lambs selected for the Junior Livestock Sale. Lambs not selected for the Sale will be released to the exhibitor or may be consigned for a buyback.
