Come visit us in the Palace of Agriculture or online!

Thanks for GROWING the Tradition

We hope you laughed, snacked, rode, danced, connected with agriculture, and maybe even won a giant stuffed animal.

Here's a little-known fact:

The Colorado State Fair is older than the state itself. That's right, we were frying dough and showing off prize livestock before Colorado officially had borders.

In 2026, both the state and the country hit big milestones. Colorado is turning 150 years old, and the country is turning 250 years old; and you better believe we're throwing a party.

We're setting the table for a historic celebration, heartfelt heritage, and enough green chile to smother every burger in the state.

It's going to be a once-in-a-century celebration (technically once-in-a-century-and-a-half). Visit **SettingColoradosTable.org** to learn more.

We'll save you a seat at the table as we celebrate 150 years of Colorado's agricultural legacy together in 2026.

Next year's Fair runs August 28 - September 7, 2026.
