Colorado State Fair and Industrial Exposition

2025 General Competition Requirements

Introduction

1. The Colorado State Fair Authority (“Authority”) reserves to itself the final and absolute right to interpret these competition requirements, to fairly and impartially settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incident to any competition or event on the fairgrounds; and the right to amend or add to these competition requirements as its judgments may determine. The Authority reserves the right to cancel events or change scheduling if necessary. See each division for any specific or special competition requirements.
2. The following terms, conditions, and requirements are general in nature. They apply to all divisions and all competitions at the Colorado State Fair and Industrial Exposition (“the State Fair”).
3. Additional and specific competition requirements are set forth within each individual Division’s competition requirements sections.
4. Every exhibitor entering any competition at the State Fair must comply with the requirements set forth below and any additional or specific requirements set forth for each competition unless specifically noted otherwise.
5. Submission of an entry to the State Fair expressly binds the exhibitor to all terms and conditions contained in any and all parts of the Colorado State Fair Exhibitor Handbook and the Colorado State Fair Authority Rules as adopted at 8 CCR 1208-1 (“Authority Rule” or “Authority Rules”).
6. Submission of an entry to the State Fair further expressly binds the exhibitor to the expectations of conduct and the penalties associated with failure to so comply, established in the Colorado State Fair Exhibitor Code of Conduct (“Code of Conduct”), which each exhibitor must sign. The Code of Conduct articulates an exhibitor’s express agreement to conduct himself or herself in compliance at all times with the expectations of the Authority as outlined in the Code of Conduct and express agreement that the exhibitor understands that any action

that contradicts the agreements promised in the Code of Conduct may result in the exhibitor's removal from the Authority's grounds.

Requirements:

1. Competition is open to the world except where otherwise specified.
2. The Authority is not responsible for any loss, damage, or injury to property while on its grounds.
3. An exhibitor's signature on a competition entry form constitutes the exhibitor's acknowledgment that the exhibitor agrees to abide by all competition requirements.
4. An exhibitor's entry into the competition constitutes the exhibitor's indemnification of the Authority, the State of Colorado, the Colorado State Fair Board of Authority ("Board"), and the Colorado Department of Agriculture from any and all legal proceedings in regard to a challenge to any competition requirement or Authority Rule.
5. An exhibitor acknowledges and agrees that entry into any competition organized and sponsored by the Authority does not guarantee competition. The Authority reserves the right to deny access onto the grounds to any person who exhibits symptoms of potentially communicable illness or who refuses to comply with federal, state, or local public health requirements and guidelines. The exhibitor agrees to indemnify and hold harmless the Authority, the state of Colorado, the Board, and the Colorado Department of Agriculture for any damages that may arise as a result of any such denial of entry or request to vacate the grounds.
6. The exhibitor acknowledges and agrees that entry into any competition organized and sponsored by the Authority is at the exhibitor's risk. In the event of any class or division cancellation, program cancellation, or State Fair cancellation, the exhibitor agrees to indemnify and hold harmless the Authority, the State of Colorado, the Board, and the Colorado Department of Agriculture in any action that may accrue.

Entries and Entry Forms

1. All entries must be made on regulation forms or the designated online entry system, be properly filled out, and be accompanied by all fees whenever required.
2. Entry forms and instructions for making entries are available upon request or may be found [online](#).
3. No entry will be entitled to a place on the grounds without fully completing the entry process.
4. The Authority assumes no responsibility for entry forms or online entry system errors.
5. Every exhibitor expressly understands and agrees that an exhibitor's completed entry form is the exhibitor's acceptance of all competition requirements, whether set forth in a general or a specific requirement. The exhibitor further agrees and understands that the exhibitor will abide by the competition requirements throughout the duration of the exhibitor's time at the State Fair. Additionally, the exhibitor agrees and understands that failure to comply with the competition requirements or any Authority Rule may subject the exhibitor to penalties as determined by the Authority.
6. Entry Fees are non-refundable.

Exhibitor Admission

1. Every exhibitor attending the State Fair must purchase either an All Age Wristband Exhibitor Wristband, a Youth Exhibitor Wristband, or a Daily Gate Admission. Wristbands can be pre-ordered through the appropriate department during the entry process.
 - a. All-Age Wristbands: \$45 each (good for the 11 days of the State Fair); wristbands are available to anyone of any age.
 - b. Youth Exhibitor Wristband: All Youth Exhibitors entered in a 4-H or FFA show will be able to purchase a discounted Youth Exhibitor Wristband for \$15. 4-H and FFA family members who are not entered or competing at the State Fair will not be able to purchase this discounted wristband.
 - c. Daily General Admission Tickets: Exhibitors, animal owners, or spectators can choose to purchase daily general admission by going to Gates 3, 5, or 9. Prices vary throughout the 11 days; please see daily discounts and admission rates on the

Authority's website. Daily admission can be purchased online at www.coloradostatefair.com.

2. The Authority reserves the right to limit entries to the facilities available and to cancel any competition or class in which, in its judgment, the entries are insufficient to secure adequate competition. The Authority further reserves the right to return entries and any associated fees if any competition, division, or class is canceled.
3. The Authority may disqualify and remove any entry that has been entered in violation of these general competition requirements or of any specific competition requirements.
4. Entries may not be removed before the time listed within each division's competition requirements. No entry may be released without a properly executed release form. Release forms may be obtained from the appropriate Program Manager.
5. The Authority does not discriminate based on race, creed, color, sex, age, or other non-merit factors.

Disputes

The Authority reserves the final and absolute right to interpret all of the Authority's competition requirements and Authority Rules and to settle interpretation questions.

Determination of Violations

1. The General Manager of the Authority ("General Manager"), the Director of Agriculture and Competitive Exhibits ("Director"), or the Program Manager of the division in which a violation of any competition term, requirement, or Authority Rule is reported to have occurred before, during, or after judging shall make an initial determination as to whether a violation occurred. At no time will any exhibition, judging event, or other ongoing event be delayed, stopped, or interrupted due to any allegation of wrongdoing reported to the Authority or under investigation by the Authority.
2. In consultation with the Director and General Manager, the Program Manager shall, upon determining a violation has occurred, make a determination as to any appropriate penalty (or

penalties) to impose upon the violating person(s). The penalties available include, but are not limited to, the following:

- a. The exhibitor in question may be disqualified and forfeit all entry and other fees and all premiums, trophies, and awards from the division.
- b. Any or all premiums, trophies, and awards won by the exhibitor in any and all divisions may be withdrawn and required to be returned to the Authority. All entry and other fees will be forfeited.
- c. The exhibitor may be barred from competition at the State Fair for a determined period, including a lifetime suspension, upon the concurrence of the General Manager, the Director, and the Program Manager.
- d. The entry in question will not be sold at any sales at the State Fair.
- e. For any livestock already sold at the State Fair, the Program Manager, in consultation with the Director and General Manager, may determine to permit the exhibitor to receive the sale proceeds minus any amount that the Program Manager, in consultation with the Director and General Manager, determines representative of any costs attributable to the exhibitor. If the Program Manager, in consultation with the Director and General Manager, determines that no sale proceeds will be paid to the exhibitor, an Authority representative will make contact with the buyer to offer the buyer the following options:
1) receive a full refund of the amount paid; 2) donate the amount paid to the Colorado State Fair Foundation; or 3) allow the Authority to retain the amount paid as a deposit for successive years' State Fair sales.
- f. The Program Manager, Director, or the General Manager may impose any other appropriate penalty.

Rights of Appeal and Process of Appeal:

The following processes and rights of appeal must be followed for actions pertaining to competitions at the State Fair:

- A. Within 15 days of the point when the Program Manager, Director, or General Manager determines that a violation has occurred, the General Manager will notify the exhibitor in writing of the violation and the facts that support the violation. Such notification must be mailed

to the exhibitor's address as recorded on the exhibitor's entry form (or hand-delivered if during the State Fair).

- B. Such notification must also include a description of any penalty the Program Manager, Director, or General Manager may assess against the exhibitor.
- C. Within 15 days of receipt of written notification, the exhibitor may appeal the decision in writing to the Board. The written appeal must be delivered to the office of the General Manager within 15 days.
- D. Any written appeal must include any facts relevant to support the appeal.
- E. Within 15 days of receipt of the written appeal, the Program Manager, Director, or the General Manager may rescind the initial determination. The Program Manager, Director, or General Manager may subsequently make no further determination as to the reported violation. The exhibitor will have no further remedy available upon rescission of the initial determination.
- F. Should the Program Manager, Director, or General Manager take no action on the appeal within 15 days from the date of receipt in the office of the General Manager, the appeal must be presented at the next regularly scheduled board meeting for the sole purpose of setting a date for a hearing on the appeal. The exhibitor will be notified in writing after the board meeting of the date of the appeal.
- G. The Board will appoint a hearing panel that will be comprised of the following:
 - a. A member of the Board who shall serve as the presiding officer;
 - b. An individual with expertise in the particular competition;
 - c. A person from the public;
 - d. An Authority senior employee other than the General Manager.

- I. Upon receiving the presiding officer's recommendation at the next regularly scheduled board meeting, the Board will take action and adopt a final determination. The exhibitor will receive a copy of the Board's adopted findings and final determination.

Grievances/Protests

1. Whenever any person believes that an exhibitor has engaged in any activity that violates any competition requirements of the Authority or engaged in any unethical activity during the course of a competition, such person may provide such allegations of wrongdoing to the Program Manager or the Program Manager's designee for review. Any person making such a report must do so on a form that may be obtained at the office of the General Manager, the Program Manager, or the Program Manager's designee and as set forth in the remainder of this section, "Grievances/Protests."
2. Any grievance must be personally presented to the Program Manager, Director, or the General Manager on a form that may be obtained at the office of the General Manager or the Program Manager's Office.
3. Any grievance so submitted must be accompanied by a \$300 bond. This bond may be returned if the General Manager, Director, or the Program Manager, whoever reviews the grievance, determines that the facts described constitute a violation.
4. Any grievance must be presented within 24 hours of the occurrence of the alleged infraction for all livestock activities and prior to the official closing of the State Fair for all other activities. In the event a grievance is presented after judging has begun on the item or activity in question, the judging will proceed, and the grievance will be handled as if the grievance had been presented following the judging.
5. Any grievance must be presented in writing and sworn to. The grievance must state the name and contact information of the grieving party, the name of the exhibitor who has allegedly committed a violation, the entry and class in question, the specific allegations giving rise to the grievance, the facts that support the allegations, and the specific terms and conditions from the competition requirements or elsewhere that govern the alleged misconduct.
6. Within 15 days of receipt of any grievance, the Director or the Director's designee shall notify in writing the person(s) submitting the grievance as to the determination of the validity of the grievance and any actions taken as a result of upholding the grievance. If the grievance is denied, the notification must state the reason or reasons for the denial.
7. After an initial determination that the grievance is a valid grievance, the Program Manager and Director will appoint a committee of three disinterested, qualified persons to review the protest

and render a decision, which shall be considered final for purposes of appeal under these requirements.

8. The person(s) submitting the grievance will have the right to appeal in a manner consistent with the due process provisions set forth in the Rights of Appeal and Process of Appeal Section of the Colorado State Fair General Competition Requirements.

All Horse Show Office business must be conducted during these hours.

Arena Procedures

The show arena is under the complete control of Management. Only qualified personnel will be allowed in the show arena during judging. Management will provide daily notice – posted and by announcement – to all exhibitors regarding the time classes will be held. All horses must be ready and waiting at the show arena gate at the show's start. There will be a gate call two minutes before the gates are closed and the judge has started the class. No late exhibitor will be admitted once the gates are closed and the judge has started the class. Barn calls are made as a courtesy. It is the exhibitor's responsibility to be aware of the show's progression and be ready for his or her class when the class enters the arena. There will be no refunds for missed classes.

Attire

The tradition of the show ring is that an exhibitor be correctly attired for the class in question, that exhibitors be neatly dressed and horses properly groomed. Management may, at its discretion, bar an entry or person from entering the show arena if not properly presented. There will be no refunds for classes missed due to improper appearance.

Arena Promptness

Classes will run according to the published schedule. All horses and exhibitors must be ready and waiting to enter the arena promptly. Exhibitors are responsible for informing the gate steward of tack changes or conflicts that may cause the exhibitor to be late or miss the class. The gate will be held if the gate steward is made aware of an exhibitor delay or conflict. Classes may be split or combined at the discretion of Management.

Class Schedule:

Management reserves the right to rearrange classes if necessary to compensate for excessive entries or time shortages. Classes with a draw order will post the draw at the Horse Show Office and the back of the announcer booths of each arena. All exhibitors will work in the order drawn. Exhibitors not at the gate to work in their draw order will not be allowed to work in that class. Schedule or draw information given over the phone must be considered unofficial. The

Horse Eligibility

1. Number of Horses: Exhibitors may bring a total of two horses, regardless of how many divisions the exhibitor chooses to enter. Exhibitors participating in the Working Ranch Horse Division are only allowed to enter and ride one horse throughout the entire ranch horse division.
2. Ownership and Identification: Ownership is not required to participate in the Colorado State Fair, but the exhibitor must have a valid lease for any horse he or she is showing if the exhibitor does not own the horse(s) the exhibitor is showing. However, the exhibitor must have provided a majority of the management, care, and training of the horse during the current 4-H year.

The County Agent's signature on the entry blank verification must attest to this fact. All horses entered in any division must be included in the Exhibitor's Horse Project Record Book and declared (completed identification certification on file at the County Extension Office) as a project horse in 4-H online as of May 1st of the current year.

No substitution of horses will be permitted under any circumstances.

Horses Shared by Siblings: Horses may be shown by siblings if they show or are entered in different age divisions or classifications. Please see the 2024 Colorado 4-H Horse Show Rule Book regarding requirements for exhibitors using the same horse, rule 4C. The 4-H Horse Show will follow the Colorado 4-H Rule Book regarding the rule addressing this matter.

3. No stallions are permitted to compete in the 4-H Horse Show.

Class Divisions

1. The show is divided into four-point counting divisions: English, Western, Ranch Horse, and Gymkhana. Exhibitors may compete in any or all divisions. Exhibitors may not switch divisions after the 4-H Horse Show registration deadline. Individual classes in each division are divided by age in such a manner as to equalize class size best. Ages are determined as of December 31 of the previous year.

2. Classes with fewer than three entries may be combined at the discretion of Management.
3. In all divisions, the written test and showmanship are considered regular classes and will be counted toward High Point and All-Around awards.

Written Test

1. Completion of State 4-H Written Test is mandatory for high point and all-around award eligibility. Members will be ineligible for division High Point or All-Around awards if they do not complete the Written Test for the Division. All members will be automatically entered and charged for the Written Test class for each show Division they enter in.

The Written Test is a Colorado State Fair 4-H State Championship Horse Show class and will be treated as such. The Written Test will be 20 general equine science questions from the Colorado Horse manual, and will consist of 5 additional specific questions for each Division (English, Western, Ranch, and Gymkhana) from the most current 4-H Colorado Horse Rulebook. The total number of questions will be 25.

To be eligible to take the Written Test, exhibitors must be on time to take the test, have a pencil, bring their exhibitor number, be dressed appropriately (Colorado State 4-H dress code) and include all necessary information on their score sheet (i.e., exhibitor name, 4-H age, exhibitor number).

Written Test score sheets missing necessary exhibitor information or if the exhibitor is late to the test, may be disqualified. If the exhibitor takes the wrong test, they will receive a zero score and not be eligible to place, but would still be eligible for all High Point and Overall Awards.

See class list for Written Test start times. Per the competition requirement regarding combining classes, if an exhibitor gets moved to another age group/division, then that exhibitor will still take the written test in which his or her original entry designates. The only adults allowed in the testing area are those proctoring the test. Exhibitors may not talk to other exhibitors and may only direct questions to the test proctors during the

written test. Exhibitors may be asked to forfeit their test and leave the area if they talk to, share answers with, or take answers from other exhibitors.

2. The Ranch Horse Written Test will be scored based on 0 - 75 points; 75 being a perfect score.

Show Requirements

1. Specific State and National Contest Rules will be observed in addition to the requirements above. Individual class requirements will follow the 2024 Colorado 4-H Horse Show Rule Book and the addendum.

Zero Score Rule: In Western Horsemanship, Hunt Seat Equitation, English Control, Ranch Horsemanship, and Showmanship, failure to complete the pattern will not result in a disqualification but will be scored accordingly. In these classes, Zero Scores are eligible for placing, but not above anyone receiving a score above zero.

In Reining, Western Riding, Ranch Cutting, Ranch Cattle Sorting, Trail, and Individual Cow Work, a Zero Score will not be placed on the judge's card.

Off Pattern (OP): In Ranch Riding and Ranch Trail, if an exhibitor goes off pattern. OP's are to be placed below horses performing all maneuvers and staying on pattern. OP's are eligible for placing, but not above anyone receiving a score.

2. Only contestants can school and ride their horses at any time while at the 4-H State Horse Show.
3. Contestants are not allowed to ride bareback or double at any time while at the Fair.
4. Exhibitor Numbers: Exhibitors must always wear their numbers while in the Horse Show area. While showing, exhibitors are encouraged to display their number on both sides of the saddle pad rather than on the exhibitor's back (exception for showmanship).

Show management will provide two copies of each contestant's number. An exhibitor entering the arena without a number on or who fails to wear the correct back number will be disqualified from that class.

5. Dress Code: Contestants must always follow 4-H dress code (including awards ceremonies) as the 4-H Horse Show is a 4-H event. Contestants will be asked to modify their dress attire to meet the Colorado 4-H Dress Code (which is posted at co4h.colostate.edu). Acceptable dress code rules and exceptions are available through Colorado State Extension.
6. Awards Dress Code: Exhibitors must wear equestrian professional dress to receive an award during any of the awards ceremonies held at the 4-H State Horse Show. (Examples: a collared long-sleeve shirt, clean jeans free of holes, long-sleeve or short-sleeve polo shirts, or cardigans.) Exhibitors must always adhere to the 4-H Dress Code as stated above.
7. Promptness: Exhibitors will be responsible for making it to their class on time. The exhibitor must enter the ring according to the order of go in the time specified by the Show Management. Failure to do so will disqualify the exhibitor from the class. All gate calls are courtesy calls only.
8. Gate or Tack Changes: The time permitted for tack changes will be at the discretion of the Paddock Master and Show Management. Gate changes are only permitted if they are 4-H Horse Show related.
9. Gate Protocol: All events are required to be held inside a closed arena. During all runs, arena gates will remain closed. Failure to enter and leave the arena, mounted at a walk or trot, will result in a disqualification. Only exhibitors and Show Management should be in the arena.
10. Gymkhana: An exhibitor in Gymkhana is considered on course from the time the arena gate closes to the time the arena gate reopens. Gymkhana division rules apply from the time of entry to the time of exit (gate to gate) for every rider.
11. Limited Ranch Cow Work Class: An exhibitor will box for 50 seconds until notified by the announcer, then complete their run. The exhibitor will be allowed a total of 1 ½ minutes.

12. During cattle classes, only the stock contractor, his employees, or Show Management will be allowed in the cattle area. The fair will provide 4 herd helpers for Ranch Cutting. Exhibitors must use the fair-provided herd help for their bottom corners but have the option to pick two 4-H youth ranch horse exhibitors to use as their top two corners help. Rule 1, Rule 20, and Rule 21 in the Colorado 4-H Rule book will be strictly enforced.
13. Exhibitors may not approach a judge under any circumstances. All questions or comments must be directed through the State Fair 4-H Horse Show Superintendents or Show Management.
14. Exhibitors and parents or guardians may be disqualified and excused from the grounds at the discretion of Show Management for any unsportsmanlike conduct or abusive action to a horse. The Exhibitor's animal must always be under control and handled safely. Any exhibitor not adhering to the above requirement may be disqualified and forfeit all fees, prize money, and awards.
15. Show Management reserves the right to amend or change rules, combine classes, and change times of scheduled classes at any time prior to the judging, and due notice will be given to exhibitors of any changes.

Awards

1. Points per class are calculated on a 10 - 1 scale, except for the Ranch Horse Division, no matter how many exhibitors are in a class. Example: A contestant placing 1st in a class of three will receive ten points; a contestant placing 2nd will receive nine points; and so on. These points will be tabulated towards any High Point Awards. Class ties will split the points.
2. Overall High Point Calculations: The overall high point will be calculated on raw scores. Overall high points are broken out as Limited Age Division 8 - 13 High point, Limited Age Division 14 - 18 High point, Limited Overall High point Champion and Reserve Champion. Advanced Age Division 8 - 13 High point, Advanced Age Division 14 - 18 High point, Advanced Overall High point Champion and Reserve Champion.
3. Awards Presentations: The Horse Show Office will be closed for one hour each day after completing the last class. This will allow Show Management to tabulate and double-check all scores and high points. No exhibitors, spectators, or family members

will be allowed in the office during this time. After the tabulation of scores by Show Management, the officials will call the exhibitors to the arena for the awards presentations.

4. Ranch Horse Division High point: Points per class will be based on the Exhibitor's earned performance score provided by the judge. Example: An exhibitor with a class score of 68 will receive 68 points for that class.
5. Novice Division only: No highpoint awards, only class awards and ribbons.
6. Awards Presentation: Most class awards will be presented at the arena gate after completing the class. Ribbons not picked up at the gate may be claimed at the 4-H Horse Show announcer booth or at the Horse Show Office. Awards will not be mailed. Division High Point Awards will be presented one hour following the completion of each division. Exhibitors are required to be in proper attire when accepting their awards.

The Colorado State Fair Authority reserves the right to adjust results if Show Management has become aware of an error in the point calculations of results previously announced. In any such case, the Colorado State Fair Authority has the right to take back all prizes distributed before the error and distribute them to the correct recipient. This will enable the Colorado State Fair Authority and Colorado 4-H Extension to continue to offer quality awards for the 4-H Horse Show.

Highpoint & Overall Ties: The Written Test scores will be used to break all ties. If a tie still exists, placing in the respective showmanship class for English and Western Division will be used. In Ranch Horse, the respective cutting class will be used. If a tie still exists, an official flip of a coin will be used to break the tie.

7. A contestant may enter all classes in a single division that he or she is qualified to enter. To be eligible for the 2025 4-H Division Champion Awards, the 4-H member may compete in the following classes:

- a. Western

All five classes are required for an exhibitor to be eligible for the Ranch Horse Division Overall Awards, and the Written Test plus at least one riding class is required to be eligible for the Gymkhana Division Overall Awards.

Any exhibitor who has previously won the Limited All-Around or Ranch Horse Saddle Award is not eligible to win the Limited All-Around Saddle in the future (this does not apply to Advanced). County Image Award

Judging Criteria

Anonymous judges will circulate during the 4-H Horse Show. A committee will make inspections during the fair to determine the awards, taking into consideration the following points and rating 4-H members and county representatives in the following areas:

1. Horsemanship safety—Judges will penalize exhibitors who exhibit poor safety, including, but not limited to, bareback riding, riding with halter and lead shank, having more than one rider, and other dangerous displays.
2. Stall safety and cleanliness. Decorations are not to count.
3. Good sportsmanship.
4. Courtesy to Show Management, judges, exhibitors, and visitors.
5. The camaraderie among all county representatives.
6. Accuracy in submitting entries.
7. Orderliness and cleanliness of stalls, aisles, and animals. Adult help is not permitted.
8. Displaying a sign or banner that designates the county. A "point of contact" for each county must be posted in each county's stalling area and must be on file in the Horse Show Office. Each stall should have signage indicating who the owner is and what county he or she represents.
9. Systematic and neat arrangement of supplies, feed, hay, and straw.
10. Personal appearance, including award presentations and ceremonies.
11. Observance of all competition and other Colorado State Fair Authority requirements.
12. Cooperation with show officials, such as getting entries into the show rings on time.
13. Exhibitors should always wear their exhibitor number to be easily identifiable

14. Parade of Counties: Takes place on Friday night at 6:30 p.m. in the Covered Arena during the PRCA Rodeo. Exhibitors will need to be dressed in Western attire for this event. Each County will be presented one at a time and will walk the arena floor to be recognized. County agents can walk in the parade of counties with their contestants.

Top County will receive a Jack Janowitz Memorial Traveling Trophy for one year plus a plaque to stay with their county. Any county winning three consecutive times shall retain possession. Jack Janowitz Memorial Traveling Trophy sponsored by Horse Patch Farms, home of the "Sweet Horses", Mildred & the Jack Janowitz, Franktown, CO

Special Awards

Colorado State Fair All-Around Advanced Saddle

Awarded to the Advanced exhibitor who accumulates the greatest overall number of points in all three divisions (English, Gymkhana, and Western). Contestants must compete in the Advanced English and Western Divisions to be eligible (i.e., contestants competing in Limited Western and Advanced English are not eligible for this award). Gymkhana points in the contestants' respective age groups will also be counted. The Champion will receive a saddle awarded by the Colorado State Fair Authority. The Colorado State Fair Authority will sponsor the Reserve Champion awards for these All-Around awards.

Colorado State Fair All-Around Limited and Level Advanced Ranch Horse Saddles

The Colorado State Fair Authority and Kiana Creek Ranch are sponsoring these saddles. Reserve winners in both levels will receive awards sponsored by the Colorado State Fair Authority. These awards will go to the individual who accumulates the greatest overall score in all five classes within their designated division of the Ranch Horse Competition. Contestants must compete in all five classes. This includes the written test for the ranch horse division.

Northeastern Junior College Scholarships

The Northeastern Junior College (NJC), Sterling, CO, will award a \$1000 scholarship for tuition at NJC to a random exhibitor aged 14-18 who has previously signed up to be eligible for this scholarship. NJC will award one scholarship in the English, Western, and Ranch Horse Divisions. A framed certificate will be presented at the time of the show awards.

Colorado State Fair will put a place on the entry form for all exhibitors aged 14-18 to check if they wish to be eligible to win the NJC Scholarships. All seniors who do not check the box on the entry form will not be eligible to win a NJC Scholarship.

Supreme Showman

In memory of Jason Archuleta the Supreme Showman belt buckle will be awarded to the exhibitor who achieved the highest showmanship score over all levels/ages. If there is to be a tie it will be decided by the overall effectiveness and form score. If that is not able to break the tie, then the written test score will be used. If the written test score is not able to break the tie, then it will be done by the first missed question on the written test.

Colorado State 4-H Championship Miniature Horse Show

Exhibitor Eligibility and Project Rules

1. Exhibitors competing in the Colorado State Fair 4-H State Championship Miniature Horse Show (4-H Miniature Horse Show) must be members in good standing of a Colorado 4-H Club. Exhibitors who are at least 8 years of age and have not reached their 19th birthday as of December 31st of the previous year are eligible (See Rule 2 in the 2025 4-H Miniature Horse Show Rule book).
2. The 4-H Miniature Horse Show is a 4-H show only, not an open or FFA horse show. A 4-H Extension Agent will verify all entry forms to certify that the exhibitor is a member in good standing and enrolled in the Colorado 4-H miniature horse project.
3. Ownership or leasing of miniature horse(s) must be in the name of the exhibitor and the horse ID form must be uploaded to 4HOnline by May 1, 2025. Members may not participate in fair-horse events if the miniature horse ID is not on file.
4. Exhibitors may enter classes with miniature horses identified on the horse ID and in their Horse E-Record book as being part of the individual's 4-H project.
5. An exhibitor may not enter more than one miniature horse per class.
6. If a miniature horse(s) cannot compete for any reason, no substitutions will be allowed after the May 1, 2025 Horse ID deadline.

4-H Horse Drug And Medication Rule

1. No horse may be shown in any class at a 4-H show if it has been administered in any manner a forbidden substance. A forbidden substance is any stimulant, depressant or local anesthetic, which might affect the performance of a horse. Stimulants and

depressants are defined as medications, which stimulate or depress the circulatory, respiratory, or central nervous systems.

2. Also prohibited are any drugs, regardless of how harmless or innocuous they might be, which by their very nature might mask or screen the presence of the prohibited drugs or prevent or delay testing procedures. The use of these drugs will be considered physical abuse and the consequences will be enforced according to the general rules and requirements of the Colorado 4-H Miniature Horse Book.
3. The full use of modern therapeutic measures, including phenylbutazone, to improve and protect the horse's health is permitted, unless the treatment may also stimulate or depress the circulatory, respiratory, or central nervous systems.

Horse Humane Policy Statement

1. It is the responsibility of every 4-H member to ensure that proper care is taken of their horse according to acceptable methods of good equine husbandry, as set forth by Colorado State University (CSU) and the Colorado Department of Agriculture (CDA). A healthy horse requires sufficient food, water, shelter, and correct health care. Cruel and inhumane training methods are inappropriate in the Colorado 4-H Horse Program. Specific equine husbandry guidelines and humane training methods are provided in the Colorado 4-H Horse Project Manual.
2. The Horse Show Management reserves the right to withhold premium awards for violation of any rule governing this department, and to disqualify an exhibitor from participation at this Fair and/or future Colorado State Fairs.

Measurements

1. To compete in State Fair Classes, all miniature horses should pass their safety test and be officially measured by the miniature horse project leader. The requirements for obtaining measurements will be followed by the AMHR Rulebook.
2. The miniature horse project leader must re-measure miniature horses under 3 years old

every year.

3. Miniature Horses must not exceed 38" inches.
4. If a miniature horse is measured and found to be over 38" inches the Superintendent shall not allow the horse to show.

Show Rules

1. 4-H miniature horse entries, exhibitors, and adults are subject to the 4-H Code of Conduct and the rules published in this document.
2. Miniature horse project members must have shown each project horse they wish to qualify in a qualifying show and taken the written test.
3. The show ring will be under the absolute control of the Horse Show Management. Only authorized persons will be allowed in the show ring during judging.
4. The State Fair requires all exhibitors to wear proper attire in all horse show classes.
 - a. Proper attire includes a long-sleeved shirt (must be tucked in), long pants, and boots with a heel.
5. All exhibitors are required to take the written test.
6. Any behavior considered negative by the exhibitor, family members of the exhibitor, or leaders directed toward any show official, fair staff, 4-H staff, 4-H exhibitor or their parents will result in disqualification and awards forfeited.
7. All judges' decisions are final.
8. Exhibitors must display a back-tag number while in the show ring.
9. For safety reasons any unruly horse or unsafe equipment may be excused from the ring by the judge, or Superintendent. An exhibitor cannot protest this action.
10. Excessively large classes may be divided by Superintendent or Judge, as conditions warrant.

11. No entry may leave the ring after judging has begun without the permission of the Judge or Superintendent.
12. A horse must be handled and shown through an entire class by the same person. Should an additional handler be required due to physical limitation or emergency, approval must be obtained from the Show Superintendent.
13. Miniature horses may be shown with full mane or mane with bridle path clipped and full tail.
14. Disqualifications: Height more than 38 inches, dwarfism, and unsoundness.
15. Classes may be dropped, but not added the day of the show. There will be no refunds.
16. Failure to complete the pattern will not result in a disqualification but will be scored accordingly. In these classes, Zero Scores are eligible for placing, but not above anyone receiving a score above zero.
17. Please refer to the [4-H Colorado Miniature Horse Show Rulebook](#) for more in-depth information about the rules of the show, classes and expectations.

Performance Halter Division

1. Horses are presented in a relaxed and dignified manner at all times.
2. Weight evenly distributed on their feet; not stretched. Showing in a relaxed manner includes no rocking back to change balance and create intensity.
3. It is acceptable for handlers to raise their hand or use their hand to get the horse's attention but cannot be intimidating to the horse nor cause an intense reaction from the horse.
4. Equipment: a traditional style Arabian show halter, a Western style show halter, Draft type halter, or a leather stable halter.
5. Chains through the mouth are not permitted. A chain or leather strap under the chin, or leather pieces connecting the two sides of the halter under the chin, are permitted.
6. Classes:
 - a. Performance Halter Mares
 - b. Performance Halter Geldings

7. Supreme Grand Champion and Supreme Reserve Grand Champion: The top two placing mares and top two placing geldings will be brought back in to compete for Supreme Grand Champion and Supreme Reserve Grand Champion. The halter performance judges card will not be used for this class. If an exhibitor has a gelding and a mare that qualifies, they choose another active 4-H member in good standing to be their handler for one of their animals. The judge's decision is final. If this class is used in Overall Placings the exhibitors highest placing will be used for points tabulation.

Showmanship Division

1. Showmanship at Halter – Showmanship is designed to evaluate the exhibitor's ability to execute, in concert with a well-groomed and conditioned horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, and maintaining a balanced, functional, and fundamentally correct body position.
2. In Showmanship classes, exhibitors are to show to the presiding (call) Judge only. Only the handler is judged, the horse is merely a prop to show the showmanship ability of the handler.
3. Show management and/or judges define the showmanship pattern.
4. Class Procedures – All exhibitors may enter the ring and then work individually, or each exhibitor may be worked from the gate individually (show and go).
5. The following maneuvers are acceptable for use in the pattern: lead the horse at a walk, trot, extended trot, or back; execute any of the gaits (including back) in straight and/or curved lines or a combination of straight and curved lines; stop; turn 90, 180, 270, 360 degrees or any combination or multiple of these turns. The pull turn is an unacceptable maneuver. The pattern must require the exhibitor to set the horse up squarely for inspection sometime during the class.
6. Equipment – When showing in Western tack and attire, Western style show halters with lead are to be used. A chain under the chin is allowed, no lip chains or chains over the nose are allowed. When showing in English tack and attire, appropriate English bridle or English style show halter are to be used. Showmanship whips, war bridles or like devices or any type of wire or rope over a horse's head are not permitted

In Hand Working Performance Division

General Rules

All Obstacle, Jumping, Hunter, and Versatility Classes

1. A miniature horse can only be shown by one exhibitor per class.
2. The judge and/or Superintendent have the right to alter the course for safety or to meet rule requirements after the course is set and prior to the beginning of the class. Once the first exhibitor has completed the course, no changes may be made. If the same jump set up is used for different classes, and only jump order and/or heights are changed, the judge and Superintendent only need to walk the course one time.
3. Exhibitors will be allowed to walk the course after it has been set and verified by the judge and Superintendent.
4. A hunter/jumper miniature horse must be 3 years and older.

Halter Obstacle

1. To be shown in halter with appropriate lead, chain on lead permitted under the chin of the horse.
2. Horse to be penalized for any unnecessary delay or excessive time at an obstacle. The judge can advance an exhibitor to the next obstacle if a horse is taking excessive time at an obstacle. Maximum time of thirty (30) seconds or two (2) attempts per obstacle.

3. Edible treats are not allowed to encourage an animal to perform one of the obstacles.
4. Whips are not allowed.
5. There must be a minimum of 5 and a maximum of 8 obstacles.

Hunter and Jumper in Hand

- 1) Horses are to be shown in halter or bridle with appropriate lead. Chain on lead permitted under the chin of the horse.
- 2) Hunters and Jumpers may show braided manes and tails in the manner of their larger counterparts.
- 3) Exhibitors are not permitted to go over jumps.
- 4) Whip may not be carried.
- 5) A practice jump of similar construction to the jumps on course will be provided in the warmup area.
- 6) Jumps must be at least 5 feet wide but no wider than 6 feet.
- 7) There will be a minimum of 4 fences and a maximum of 6 fences.

Jumper Courses

1. Jumper courses should be technically challenging. Jumper courses may consist of lines of fences or single fences, and fences may be placed on straight or curved lines. Multiple turns or changes or direction are encouraged.
2. Fence Heights for Jumpers are: Minimum height 18" Maximum height 24"
3. Jumpers Scoring: Jumpers are scored mathematically on accumulated faults, and on time to complete the course in case of ties. There will be one round which will be both scored for faults and timed. Exhibitors will be placed in order of least faults to most faults, with time utilized to break any ties (i.e. scoring by faults and then by time). There will be no additional rounds. Timing starts when the horse's nose passes the starting line and finishes when the horse's nose passes the finish line.

Hunter Courses

1. Hunter courses are designed to allow the exhibitor to present the horse to its best advantage. Longer distances and wide corners are utilized to enable a smooth presentation. Exhibitors will not be asked for tight turns. Angled jumps must be approached from the long corner, not the short corners.
2. Hunter courses consist of two or three straight or gently curved lines of jumps that do not require turns between them, or single jumps, with room for wide corners between lines and jumps.
3. Fence heights for Hunters are: Minimum height 18" and Maximum height 24".
4. Hunters are not scored mathematically by faults nor by time. Hunters are judged on style and form over fences, manners, way of going and pace in that order. The Judge must penalize unsafe jumping (i.e., charging, refusals) and poor form over fences.
5. Circling once upon entering the ring and once upon leaving the ring is permissible.

Versatility

1. The horse will be shown in performance halter, and then as a hunter, in that order.
2. After halter inspections are completed, exhibitors are to follow the Ringmaster and proceed to the hunter course.
3. The hunter requirements for judging are the same as specified under the "Hunter" Rules. The Performance Halter requirements will be judged the same as specified under the Performance Halter Rules.
4. There shall be 2 (two) fences.
5. When all have completed the hunter course, they must trot for soundness before the Judges. F. Horses do not leave the arena between divisions.
6. All two divisions count equally.
7. Horses must complete all two divisions, without disqualification, to be eligible for a ribbon.
8. No teeth will be checked

Gymkhana Division

General Rules

1. All gymkhana events will be timed.
2. Horses must be under control at all times.
3. Horses must be at least 1 year old for in-hand.
4. Horses are to be shown in a halter with appropriate lead (when in hand). Chain on lead permitted under the chin or over the nose of the horse. A chain is optional. Western, Cable, nylon, and Draft style halters are permitted. Bridles are not allowed.
5. Horses can trot, canter, or gallop for in-hand events.
6. Disqualifications – Any of the following infractions will disqualify an entry.
 - a. Running through the chute or gate to enter the arena. Failure to begin the course within 1 minute after the ready signal is given.
 - b. A stop or willful refusal to move forward (loss of forward motion).
 - c. Off course, which includes negotiating obstacles in other than the specified order or in the wrong direction. This includes circling, backing or reversing the direction of movement.
 - d. The horse is behaving in an unruly manner or out of control.
 - e. Any kind of cruelty to the horse whether or not specifically mentioned in these rules will disqualify the competitor.
 - f. Striking or beating the horse in any manner whatsoever after entering the arena. Touching the horse will not be considered striking or beating the horse.
 - g. Fall of horse or exhibitor while in the arena.
 - h. Carrying a whip.

7. Timing Procedure – Electric timers are preferred over stopwatches. If an electric timer is used, at least one official should take the time using a stopwatch in case the electric timer fails. If an electric timer is not available, three stopwatches will be used. The median time of the three readings will be the official time. (The median time is the time indicated by two of the three stopwatches if two agree. If no two watches agree, the median time is the time indicated by the watch which indicates neither the fastest nor the slowest time.) All stopwatches must be calibrated to at least one-tenth of a second. The start/finish timing line must be a minimum of 10 feet from the end of the arena. The timing line must be visibly marked in the arena. Contestants are allowed running starts.

In-Hand Barrel Racing

Barrel racing classes can be performed in-hand. These are to be separate classes. Three 55-gallon barrels in safe, usable condition should be used.

1. The size of the pattern (see fig. 22) should be 35 feet between barrels 1 and 2, 40 feet between barrels 2 and 3, 40 feet between barrels 1 and 3, and 25 feet from the timer to the first barrel. The course must be measured exactly. If the course is too large for the available space, then each measurement of the pattern should be reduced 5 feet from the fence. If the course specified in this rule book is too big for the available space, the distance from barrel 3 to the finish line needs to be reduced 15 feet at a time, as long as there is enough room for the horse to stop safely.
2. Knocking down a barrel will result in a 5 second penalty.

In-Hand Pole Bending

1. The pole bending pattern is run around six poles. The poles are placed in a straight line 10 feet apart. The first pole is to be 10 feet from the starting line. Poles are 6 feet high and set on top of the ground, with bases 10 inches to 14 inches in diameter.
2. Contestants may start on either side of the line of poles. They will cross the starting line, move in an approximately straight line to pole 6 (the farthest pole), make a 180-degree turn around pole 6, pass between pole 6 and pole 5, bend through the poles to pole 1, circle pole 1, bend through the poles to pole 6, make a 180-degree turn around pole 6, and cross the starting line by moving along the poles on the side opposite that on which they first approached pole 6.

3. A 5-second penalty will be assessed for each pole knocked down.

Costume Class

1. General - Costumes must be considered safe.
2. Costume classes are to be judged 75% on originality of costume and 25% on presentation.
3. To be shown at a walk both ways of the arena and lined up in the middle of the arena for final judging.

Liberty

1. Liberty is demonstrating the natural beauty of the horse. Horses are to be judged on style, grace, animation, gaits, presence, and ease of catching. The Liberty animal is expected to perform at both a canter and a trot.
2. General Rules:
 - a. Horses will be judged beginning when the halter is removed by the exhibitor (the individual wearing the number) and until caught and haltered by the exhibitor. Time of Liberty shall be 1½ minutes; time to catch shall be 2 minutes.
 - b. Timing will begin when the halter is removed, not when the music starts, and the show announcer will announce “time” when the 1½ minutes performance has ended to signal the exhibitor that they can begin the catch. Continue to time the catch. When the 2-minute catch time has elapsed, the show announcer will announce “time” to signal the end of the catch if the animal has not been caught. If the catch is not completed in the 2-minute allotted time frame, the exhibitor is disqualified.
 - c. Only the exhibitor can touch the animal during the catch. The horse must be caught and haltered by the exhibitor only within 2 minutes or be disqualified. The assistant may not touch the horse at any time. There will be “No Baiting” (no use of hay, grain, clickers, etc.) of Liberty horses during the catch or it will be disqualified.
 - d. Music is required. Music must not contain any profanity or reference to material that goes against 4-H guidelines. • No deliberate interference with the horse from outside the ring. Announcement should be made prior to the class to specify that no outside assistance is allowed.

- e. Exhibitors and assistants should wear appropriate, tasteful attire. A safe costume or theme outfit within the 4-H Dress Code is allowed for the exhibitor and assistant only. Horses will not be allowed to wear anything once the halter has been removed: no costume, ribbons or glitter.
- f. If a horse should fall during its performance, the entry is disqualified.
- g. Entry will be disqualified if the horse leaves the ring during competition or catch time.
- h. It is the Steward's responsibility to time Liberty classes and to be in possession of a timer. The Steward should be in the same location as the judge to adjudicate the class.

Point Scoring System

1. Points per class are calculated on a 10-1 scale, no matter how many exhibitors are in a class. Example: A contestant placing 1st in a class of three will receive ten points; a contestant placing 2nd will receive nine points; and so on... These points will be tabulated towards any High Point Awards. Class ties will split the points.

Premiums And Awards

1. Ribbons will be given 1st-6th place in each class.
2. Premiums for 4-H Miniature horse classes will be:

1st Place	2nd Place	3rd Place	4th Place	5th Place	6th Place
\$25	\$20	\$15	\$13	\$10	\$7

Award Winners

1. To qualify for Overall and Reserve Overall High Point in Junior, Intermediate, and Senior age divisions, competitors must take the written test, compete in showmanship, and enter two (2) or more classes in their division.
 - a. Overall High Point and Reserve Overall High Point winners will receive awards.
