

Colorado State Fair and Industrial Exposition

Exhibitor Code of Conduct

The Colorado State Fair and Industrial Exposition (“State Fair”) is a family-friendly event. As an exhibitor (or as a legal guardian of an exhibitor) participating in competitive events at the State Fair, you are responsible for properly representing yourself and your minor exhibitors. Those participants who do not adhere to the Colorado State Fair General Rules and Regulations, Colorado State Fair Exhibitor Code of Conduct, and IAFE National Code of Showring Ethics are subject to consequences at the sole discretion of the Colorado State Fair Authority.

Violations of this Code of Conduct include, but are not limited to:

1. Any disruptive or improper conduct, including unnecessary verbalized or printed profanity.
2. Violence of any sort.
3. Theft of any sort.
4. Vandalism of any public or private property. Any unlawful use of drugs, or alcohol consumption, or unlawful distribution of drugs or alcohol.
5. Any verbal or physical acts of aggression or harassment directed towards another person, animal, exhibit, or personal property.
6. Any tampering with any competition’s events or entries.

The Colorado State Fair Authority (“Authority”) reserves the right to extend, withhold, or revoke an invitation to any exhibitor, or exhibitor and exhibitor’s legal guardian, who does not adhere to this Code of Conduct.

Acknowledgment:

I have read the Colorado State Fair Exhibitor Code of Conduct above and agree to abide by these expectations. My failure to do so may result in the loss of privilege for me or my minor exhibitor to exhibit in any competitive event at the State Fair. I understand that additional consequences may include the loss of premiums, the immediate dismissal from the fairgrounds, or the loss of the ability to participate in future events at the State Fair.
